Subject: Time Sensitive Opportunity - MPD Blue Path Program Announcement

Friends and Colleagues -

I'm excited to share information about an exciting new career pathway opportunity for high school seniors on track to graduate by June 2017 – [see web site for MPD's Blue Path Program](#). Note that it's a time sensitive opportunity as interested high school seniors must attend one of the information sessions this month and apply for TN Promise by Nov 1.

Not only is this a great opportunity for our young people, but it's a great example of strategic partnership –City of Memphis, Southwest TN Community College and TN Promise – to build a high quality workforce pipeline for our police department. See attached press release!

Please communicate this opportunity to your networks as soon as possible to help ensure the maximum possible number of high school seniors will consider applying!
